

Roy Cloud After School Programs Winter 2018

The Roy Cloud PTO is proud to offer an exciting assortment of high quality Enrichment Programs for the winter 2018 session.

After school Program Overview

All of the following classes are held on the Roy Cloud campus where students are able to stay in a safe and enriching environment, while also continuing to build community through sharing a common interest. We strive to provide vendors that offer classes which allow students to follow their interests, to enrich their curiosity, and to have fun.

For scheduling flexibility, students attending Workshop Enrichment or Neighborhood Kids' Corner can also attend after school classes and return to Workshop Enrichment or Neighborhood Kids' Corner when the class is over. In addition, some of our vendors offer supervision for K-2 students when classes begin on or after 2:50. Please see visit the vendors in the links, or contact the after school coordinators for more specific information.

While these classes are held on our campus and attended by our students, they are offered by, and run by, individual vendors. All payments and responsibility for attendance, questions, and other issues can be directed at the individual vendors by clicking the link to their websites.

Questions regarding the After School Program can be sent to the PTO After School Coordinators Mary-Elizabeth Redner or Tiffany Gonzales.

Program Descriptions

Art Classes:

CSMA Art Club-The winter session exploration topic is: The Science of Art! Students will draw, paint, and sculpt with support and instruction from CSMA faculty. Lessons are inspired by techniques and styles of contemporary artists that approach art in ways that scientists do.

Kinder Art Club: offered on Wednesdays 1:35-2:35pm in room #15 (1/24-5/23, no class on 3/14 and 4/11), \$240/16 weeks

Grades 1-2: offered on Tuesdays 2:30-3:30pm in room #11 (1/16-5/22 no class 2/20, 3/13, and 4/10), \$240/16 weeks

To register: online registration at: <http://arts4all.org/in-school-programs/after-school-art-clubs>

Young Rembrandts- Our elementary-age curriculum is designed to teach basic to advanced drawing skills, art techniques and vocabulary. We believe that drawing is the bedrock skill required for future artistic success. We give them skills to express their creativity, and believe that all children can – and should – learn to draw. You'll see increased art abilities, learning skills, self-confidence and self-esteem. Our budding artists will have the opportunity to flex their creative muscle as they take on fun, artistic challenges like our Jack Russell Terrier and even More Emojis in the month of January. February brings fun and culture into the classroom as our students' learn about masquerade and dive into the mind of master artist Romero Britto. And in the month of March, get ready for some dinosaur-sized excitement as your elementary student recreates the ferocious T-Rex Young Rembrandts style!

Grades K-5: offered on Thursdays 1:30-2:30pm in room #31 (1/18-3/29, no class 3/15), \$143/10 weeks

To register: <http://www.youngrembrandts.com/sanmateocounty-ca>

Language Classes:

Learn Spanish!- Basic introduction to Spanish incorporating music and movement. This class is tailored to children who are new to the language using interactive fun activities to encourage students' interest and ease their language process. The emphasis of this class is mostly on listening and speaking with little exposure to reading and writing.

Grades K-5: offered as a Monday/Wednesday class in the library. Students enrolled must attend both sessions weekly (winter session Monday 11/27-Wednesday 2/28, no class 1/15 and 2/19).

Also offered on Thursdays at 1:35pm in room #14. The Thursday class in only once a week (winter session 11/30-2/22)

To register: Sessions are on-going and continue the following week of a session ending. If you are interested in enrolling your child after the registration dates, please contact Wendy at Universe of Colors 650-401-8368, or email sanmateo@universeofcolors.org

Science and Technology Classes:

More Minecraft Adventures- More worlds! New Adventures! Great for new or continuing students. In this exceptional class, we continue our explorations in MinecraftEdu with fun, guided activities and learning adventures. Plus, we focus on collaboration, critical thinking, and problem solving. Let's bring teamwork and imagination to Minecraft and watch the creative juices flow!

Grades 3-5: offered on Tuesdays 2:55-4:25pm in Room #30 (1/23-5/8)
\$370/13 sessions

To register: <https://www.sparkiverselabs.com/midpeninsula/>

Circuits and Creativity-Who says you can't mix art and technology?

Welcome to the new world of drawing and crafting circuits. No soldering. No headboards. And no complications. In this fun class, students make light-up take-home artwork, as well as explore components in hands-on construction projects. Kids will stretch their creative brains and get to see first hand how circuits work!

Grades 1-3: offered on Wednesdays 2:55-3:55pm in Room #20. There is supervision by the Sparkiverse Labs teacher for 1st and 2nd graders starting at 2:30pm (1/24-5/9) \$320/14 sessions

To register: <http://www.sparkiverselabs.com/midpeninsula>

Mad Science! Mad Science is an after-school enrichment program conducted all over the Bay Area. They specialize in a unique brand of entertaining and hands-on science activities, that instill a clearer understanding of how science affects the world around them. In Mad Science courses, "students are able to touch, hear, smell, and taste what science is really all about!" The winter session course is "Crazy Chemworks". Students will explore split second reactions, learn about glow-in-the-dark technology, and participate in The Slime Olympics! Freeze water in seconds and slide down the colorful pH scale. This whirlwind series will take your breath away!

Grades 1-2: offered on Tuesdays 2:30-3:30pm in Room #19 (1/9-3/6, no class 2/20)

To register: bayarea.madscience.org (please note that registration for this class is now closed. If you would like to register you child after this, please call 510-438-9702)

Wizbots Robotics: Wizbots is THE premier place for girls and boys to learn the art and science of robotics. Using LEGO® MINDSTORMS® and Java coding, our labs are a great way for kids to dabble in robotics programming and design for the first time or build on skills they have already developed. Exercising both creativity and problem-solving, students learn engineering, programming, math, and physics through our unique, gamified curriculum in a hands-on, collaborative way guided by experienced and caring mentors. Parents can experience all the fun too with student project videos posted online to see and share!

Grades 3-8: offered on Mondays 3:00-4:30pm in Room #5 (2/5-4/2, not school 2/19 and 3/12)

To register: Visit www.wizbots.com/afterschool to enroll

Recreation Classes:

Bay Area Chess-provides professional chess instruction tailored to each student's skill level. Students will learn the rules of the game, basic strategy, tactics, endgames and advanced strategy while progressing at their level.

Grades 1-8 (all returning kinder accepted): offered on Thursdays 1:35-2:35pm in Room #6 (Chess coaches will pick up 1st graders) 1/25-5/24 (no class on 4/12, there will be class on super early dismissal day 3/15)

To register: <https://enrichment.bayareachess.com/RoyCloud18Spring>

Hip-Hop-energy filled and fun hip-hop dance class for all levels! Taught by an experienced teacher at Studios Broadway.

Grades K-5: offered on Thursdays 1:35-2:35pm in Room #TBA

To register: registration forms will be available after class-just show up!

Winter session cancelled, please check back in March.

Junior Chef Stars Cooking Class-Come spend your fall afternoons cooking delicious meals with Junior Chef Stars! Students will learn a variety of basic culinary techniques.

Grades 1-5: offered on Tuesdays 3:00:-4:15pm in the Room #7 (1/23-3/27, no class 2/20 and 3/13) \$216/8 sessions

Supervision for 1st and 2nd graders done by chef teacher starting at 2:30pm in the library computer lab, then moving to room #7 for the actual cooking class

To register: <https://juniorchefstars.com/event/roy-cloud-elementary-school/2018-01-23/>

Bookopolis Book Club! -A book club especially for 4th-6th graders that inspires students to love reading by engaging in peer discussions, digging deep into books through creative book projects, playing book related games, and giving students the time and support to read. We will read and discuss three books that expose students to new genres. All books are included in registration costs. Book clubs make reading FUN for both bookworms and reluctant readers, and help students develop their comprehension and analysis skills.

Grades 4-6 (younger grades welcome with permission): offered on Tuesdays 3:00:-4:00pm in the Library (1/23-4/10, no class on 2/20 and 3/13) \$200/10 sessions (includes 3 books)

To register: <https://goo.gl/01746v>

Ukulele Class-Ukulele Class is a fun 10-week class designed specifically to introduce students to the ukulele. Students will learn correct hand position, finger picking and strumming styles, note and rhythm reading, and will learn to play popular, traditional, and classical tunes like "Riptide," "Oh Susanna," "Twinkle Twinkle Little Star," and "Ode to Joy." Students must bring their own ukulele, and each student will receive a method book. Students will be divided into groups based on grade level.

Grades K-8: offered on Thursdays 1:45:-2:30pm in the Library computer room (1/11-3/15, no class on 2/20 and 3/15) \$260 (+ \$20 course materials fee /10 sessions

To register: <https://hummingbirdmusicschool.pike13.com/courses/159051>

Piano Class-A fun 10-week class designed specifically for K-8th grade students. Students will develop the foundations of piano playing, including correct hand position and posture; will learn to read notes and rhythms; and will learn to play popular, traditional, and classical songs. Keyboards will be provided at class, and each student will receive a lesson book. Students will be divided into small groups based on grade level

Grades K-8: offered on Thursdays 1:45:-2:30pm in room #13 (1/11-3/15, no class on 2/20 and 3/15) \$260 (+ \$20 course materials fee /10 sessions

To register: <https://hummingbirdmusicschool.pike13.com/courses/159022>

Workshop Enrichment: Daily award-winning after school Study Skills and Innovation enrichment classes with flexible scheduling. We charge \$20 an hour for our enrichment classes with discounts for siblings. Parents are only billed for the classes their child attends. Flexible with after-school programs. Students can attend after-school classes, and come back to workshop after class.

Grades K -8: offered daily from school dismissal until 6 p.m. only on days that school is in session for students.

To register: spaced limited, register online at www.workshopeducation.org

Ingenium Enrichment: An off site after-school enrichment program for students K-5. Students are picked up at Roy Cloud and transported to the Ingenium location at Roosevelt Plaza. Enrichment activities include art, science, cooking, and much more. Flexible scheduling is offered, so students that want to stay on campus for other after school classes can do so on other days of the week.

Grades K -5: daily pick up at Roy Cloud campus with transportation to their offsite location

On-Site Before/After-school Child Care Program:

Kid's Corner: Neighborhood Kids' Corner is an on-site, licensed child care center at Roy Cloud. We are open year around, catering to working families in the Roy Cloud School community. Children from kindergarten through 7th grade are welcome to participate in our program. We are open 7:15 am Monday through Friday. During the school year we close at 8:15 when the children are in school and re-open at 1:30 for kindergarten children. We close at 6:15pm in the evening. Our staff to child ratio is 1 to 10. We serve a healthy snack every afternoon, have a dedicated homework room Monday through Thursday, are open all day most of the days during the school year when school is closed, and transport children one way to sports practices, religion classes, etc up until 4:15 every afternoon as long as the location is west of the El Camino and in Redwood City.vThis service is on a first come, first served basis. We have been on-site at Cloud for 34 years under the same ownership. Our phone number for further information is [650-365-6117](tel:650-365-6117).
