\*Intro to Coding: Please be aware that the starting time for this class is 2:45. Students MUST have adult supervision from 1:30-2:45. Students are not allowed on campus without supervision. It's possible for students 3-5 to take a class prior to coding starting at 1:30 and walk over to the computer lab after class and checking in with coding teacher. If this is the case, please communicate with both teachers.

Monday	Tuesday	Wednesday	Thursday	Friday
